ADDRESS

OF THE

HOUSE OF COMMONS OF GREAT BRITAIN

TO

HIS MAJESTY:

EXTRACTED FROM THE VOTES,
Veneris, 11° die Julii, Anno 40° Georgii 3tii Regis, 1800.

Most Gracious Sovereign,

WE, YOUR MAJESTY'S moſt dutiful and loyal Subjects, the Commons of Great Britain in Parliament aſſembled, having taken into our Conſideration the State of the Public Records of this Kingdom, and the Neceſſity of providing for the better Arrangement, Preſervation, and more convenient Uſe of the ſame, humbly beg leave to lay before Your Majeſty the Report of our Proceedings thereon; and to repreſent to Your Majeſty, that in ſeveral of the Principal Offices we have found the Public Records preſerved with great Order and Regularity, and in ſome few, with a Method and Care which are exemplary; but that, in many of the moſt important Offices, they are wholly unarranged, undeſcribed, and unaſcertained; that ſome of them are expoſed to Eraſure, Alteration, and Embezzlement, and others are lodged in Places where they are daily periſhing by Damp, or incurring a continual Riſk of Deſtruction by Fire.

A Period of nearly Seventy Years has elapſed ſince the laſt General Parliamentary Inquiry upon this Subject; and, during this Interval of Time, the Change which has taken place in the Language and written Character of Judicial Proceedings, as well as the large Accumulation of Materials which has been progreſſively ſuperadded in every Department, have increaſed the Difficulties of methodizing the ſeveral Repoſitories, or applying their Contents to Purpoſes of practical Uſe.

In the Courſe of our Inquiry we have found that many of the Public Buildings allotted to theſe Uſes, and eſpecially thoſe Buildings which belong to Your Majeſty's Exchequer in all its Branches, comprehending the ancient Records and Muniments of the Rights and Poſſeſſions of the Crown, and the Vouchers and Accounts of the Public Revenues and Expenditure, are in a State ſo incommodious and inſecure, as to require immediate Attention.

It has alſo appeared to us, that the ſalutary Meaſures heretofore adopted by Your Majeſty's Authority, for methodizing the Contents of ſome of the principal Repoſitories of Your Majeſty's Records and Papers of State, might alſo be extended to many other Repoſitories, with Conſequences highly beneficial to the Public Service.

And the ſame Motives which encouraged our Predeceſſors to intreat Your Majeſty's Directions for printing the ancient Records of Domeſday, and the Rolls of Parliament, have

alſo

alſo induced us to ſubmit to Your Majeſty's Wiſdom, our Deſire of extending the ſame Meaſure to other ancient and valuable Monuments of our Hiſtory, Laws, and Government.

Your faithful Commons do therefore moſt humbly beſeech Your Majeſty, that You will be graciouſly pleaſed to give ſuch Directions as Your Majeſty, in Your great Wiſdom, ſhall think fit, for the better Preſervation, Arrangement, and more convenient Uſe of the Public Records of this Kingdom.

And we beg leave further to aſſure Your Majeſty, that whatever extraordinary Expenſes may be incurred by the Directions which Your Majeſty, in Your great Wiſdom, ſhall think fit to give on this Occaſion, ſhall be chearfully provided for and made good by Your faithful Commons

---

Jovis, 17° *die Julii*;

Anno 40° Georgii 3tii Regis, 1800.

Mr. Chancellor of the Exchequer reported to the Houſe, That their Addreſs of Friday laſt (that His Majeſty would be graciouſly pleaſed to give ſuch Directions as He ſhall think fit, for the better Preſervation, Arrangement, and more convenient Uſe of the Public Records of this Kingdom; and to aſſure His Majeſty, that whatever extraordinary Expenſes may be incurred by the Directions which His Majeſty ſhall think fit to give on this Occaſion, ſhall be made good by His faithful Commons) had been preſented to His Majeſty; and that His Majeſty had commanded him to acquaint this Houſe, that He will give Directions as deſired by the ſaid Addreſs.

And We further will and command, and by theſe Preſents ordain, That ye, or any Three or more of you, ſhall from Time to Time certify, under your Hands and Seals, unto Our Lord High Treaſurer, or unto the Commiſſioners of Our Treaſury for the Time being, what ſhall be a fit and ſuitable Recompence to the above-mentioned Clerk or Secretary, and Sub-Commiſſioners reſpectively, for their Pains and Services in the Execution of the Duties hereby required to be by them performed; which ſaid Recompence it is Our Will and Pleaſure ſhall thereupon be paid to them reſpectively and accordingly.
